Principal Report

2018 has seen a great deal of change and achievement for Hervey Bay Special School.

Thank you to all of our families for the wonderful support you have given me in my short time here at the school. I have been so impressed with the wonderful learning and teaching happening here at our school and am very excited about the plans we have in place for 2019 as we introduce further curriculum areas.

Staff have recently attended planning days with our fantastic Head of Curriculum Belinda and our Curriculum Leader Shellie to ensure we commence 2019 ready to begin teaching some awesome units of work.

Last Friday, we held a Thank you! Morning Tea for our wonderful volunteers who support our school in so many different ways. We are grateful for the large number of Friends we have in our local community and these partnerships continue to strengthen and grow with our students benefitting greatly. Our Parents & Citizen’s Association continues to provide valuable support to the strategic direction of our school.

This week you will receive your child’s end of year report and we invite you to contact our school if you would like to discuss the contents of the report. In addition, you will have received details of your child’s class teacher and teacher aide for 2019. Please note that whilst we are hopeful that this is a final draft, our final student numbers across the school on DAY 8 may impact these arrangements.

Finally, on behalf of the staff of our great school, thank you for your fantastic support throughout this year and best wishes to you for a safe and happy Christmas and New Year and we look forward to seeing you in 2019.

Yours in Education

Sarah Lester
Sensory Christmas Events
